

## ENGLISH-FRIENDLY COURSES IN THE DEGREE OF PSYCHOLOGY.

### YEAR 2019-20

The following courses are fully taught in Spanish. This means that international students should be well acquainted with Spanish language to attend classes on a regular basis (CFER B2 level required). However, these courses are also included within the **CUCC English-friendly programme** by which international students without knowledge of Spanish language have access to **study guides, class notes, readings, examinations, assessment**, and frequent **tutorials** in **English language**.
